Other Awards/ Recognitions

“The Best Dentists in New Hampshire, 2004-2017”- selected by members of the NH Dental Society as the oral and maxillofacial surgeon they would choose if a member of their own family needed oral surgery- published in New Hampshire Magazine, August, 2004-2017.

Dr. Kuepper has a record of professional and civic leadership. He has been president of the Concord Dental Society, The New Hampshire Society of Oral and Maxillofacial Surgeons, the chairman of the Department of Dentistry at Concord Hospital, the founder and leader of the Greater Concord Dental Implant Study Club and the president of the Concord Rotary Club. As the president of his former group practice, Dr. Kuepper led Concord Oral Surgery, P.A., a multi-doctor, multi-office specialty practice, which is recognized by his logo, letterhead and business card graphic designs.

Dr. Kuepper, as an innovator in oral and maxillofacial surgery, was the first surgeon to perform the following, state of the art oral and maxillofacial surgical procedures at Concord Hospital, where he introduced and taught these various diagnostic and surgical procedures to other oral surgeons:

Orthognathic Surgery

Le Fort I Osteotomy

Mandibular Sagittal Split Ramus Osteotomies
Intraoral Vertical Ramus Osteotomies
Internal Rigid Fixation of the Mandible
Correction of Hemi-Facial Microsomia
